

Create a Frances Online Account using a Frances Access Letter

Use this guide to create an account in Frances Online **after you have requested and received a Frances Access Letter with a valid Letter ID**. You need a Frances Online account to apply online for benefits from the Unemployment Insurance Program. Frances Online responds to the information you enter so you may see different screens and receive different questions based on your situation.

Note: We are making regular updates to the system, so the screens you see may look a little different from the images in this guide. You can use the “next” and “previous” buttons to move between screens and update your answers without losing your information. Selecting “cancel” will erase your progress.

Step 1 — Go to frances.oregon.gov.

- Under “Employees and Claimants,” click “Log on to Frances Online.”
- You may have completed these initial steps before when requesting a Frances Access Letter, but you will need to repeat them to reach the Letter ID screen and finish setting up your account.

The screenshot shows the Frances Online website interface. At the top, there is a navigation bar with the State of Oregon Employment Department logo on the left and a menu of links: Job Seekers, Unemployment, Businesses, Agency Information, Modernization, Paid Leave Oregon, Forms, and Videos. On the right side of the navigation bar, there is a link for "Español". The main content area features the Frances Online logo prominently. Below the logo, there are two main sections: "Employees and Claimants" and "Employers, Self-Employed, and Third Party Administrators". The "Employees and Claimants" section includes a sub-header, a brief description, and two links: "Log on to Frances Online" and "Verify My Identity". The "Employers, Self-Employed, and Third Party Administrators" section includes a sub-header, a brief description, and one link: "Log on to Frances Online". A large red arrow points from the left towards the "Employees and Claimants" section.

Step 2 — On the next screen, click on “Sign Up for an Online Account.”

- In the future, you can reach this page directly at frances.oregon.gov/claimant

Step 3 — The next screen shows what information you need to create an account in Frances Online.

- Gather the required information and select the “Next” button.

Step 4 — You will need to provide and verify your email address.

- After you enter your email and select “Verify My Email,” we will send a unique code to your email address.
- Enter that code in the field to verify and continue.

The screenshot shows a web form titled "Sign Up for an Online Account" with a progress bar at the top. The first step, "What You'll Need", is completed with a checkmark. The second step, "Verify My Email", is active. The form contains a heading "Verify My Email" and a label "Email *". Below the label is a text input field with the placeholder text "Required". Underneath the input field is a blue button labeled "Verify My Email". At the bottom of the form, there is a "Cancel" button on the left and "Previous" and "Next" buttons on the right.

Step 5 — You can create an account with a Social Security Number (SSN) or an Individual Taxpayer Identification Number (ITIN).

- If you plan to file an Unemployment Insurance claim, use your Social Security Number to set up your online account.
- You will see the option to use an Individual Tax Identification Number (ITIN) to create your account, **but DO NOT use this option**. If you use an ITIN at this step, your claim information will not be connected to your new account. An ITIN can only be used for Paid Leave Oregon claims.
- Enter your date of birth and select “Next.”
